About us

Stonepark factory was founded to fulfill all the demands and expectations for marble supply in construction industry. We aim to build mutually beneficial business relationships all around the world which is further supported by the latest stone processing technology, careful packing, marking and containerization, all the above helped us become one of the largest and most powerful exporters of marble and granite in Egypt. Stonepark works as a producer, wholesaler and exporter of marble and granite blocks, slabs, strips and cut to size tiles with any kinds of finish treatments requested; polished, honed, brushed, antique, tumbled, flamed, bush-hammered, split face etc. We offer high-quality materials, competitive prices and reliable services. Due to this, we have achieved ISO 9001 and 1800 certification, reinforcing our strong operational processes and commitment for continual improvement.

Stonepark is one of the leading manufacture and exporter of marble and granite in egypt.
